Features of our game: ☆hundreds of weapons and items ☆exploring the open world ☆realistic 3D HD - graphics ☆survival on islands ☆enhanced shelf building Tips for the survival of the apocalypse: 🦈 Catch items and resources with you hook Lots of useful resources in shark games are right under your nose. Chest and barrels floating around always contain vital resources for survival at sea and wrecks are great materials for building rafts in ocean games. You might even find items, tools and weapons for the defense of the raft, so keep on throwing the hook! 🦈 Armale crafted and armor A prey maybe she Ocean Nomad is a new version in the series of ocean survival games with new enemies, elements, RPG elements, survival on an island and ocean exploration on a boat. Build and upgrade your raft for survival in the sea, defend it from sharks and explore the vast world around. Try all our awesome survival simulator games rolled into one! Features of our game: hundreds of weapons and items open exploring the world realistic 3D HD - graphics survival on islands improved shelf building Tips for the survival of the apocalypse: 🦈 Catch items and resources with you hook Lots of useful resources in shark games are right under your nose. Chest and barrels floating around always contain vital resources for survival at sea and wrecks are great materials for building rafts in ocean games. You might even find items, tools and weapons for the defense of the raft, so keep on throwing the hook! 🦈 Great crafts and armor A prey can easily change the rules and become a hunter in shark games. Make a tough choice between hundreds of weapons, two bladed weapons and armor pieces to defend your floating base and hunt sharks. Craft a perfect arsenal and always be ready for battle. 🦈 Defend cork be ready to evolve and fight for survival in the sea with a double effort, now that you've got one more problem to deal with. The shark is now accompanied by swimmers from other survivors' games and eager to attack the raft. No man can tame a shark and there is nowhere to escape, so get ready for shooting and swinging all night and day! 🦈 Build and upgrade Pay attention to the condition of the float on the water in ocean survival games. It is not enough to tie together a pair of wooden planks without a or even walls to feel safe. Be creative and extend the raft for free in height and width, because the only limit to building in survival simulator games 2018 is your imagination. There are also a lot of upgrades for fishing, expanding storage space, which you can improve floating shelter with to help you in the ocean. 🦈 Explore the ocean Aever asked if there is lost land with forests, jungle and pets in this endless ocean? A wonderful feature of our island free survival games is now implemented in this one. Don't stay idle - dare to explore the ocean and surrounding islands. What are they hiding: horror or glory, medieval royal treasures or wild tigers and scary dinosaurs from the Jurassic era or even an ancient airplane wreck? What's more you can find resources, upgrades for cork and other items on the islands. You won't need a ship or an ark to sail at them in shark games - a simple boat will do, and maybe the stars will be guide. 🦈 Learn the story of the apocalypse An unknown devastating cataclysm turned the world into an endless ocean and the last survivors are stuck on scattered islands like in prison, dreaming of finding their home. The search for our cork game is to find them and discover the truth of what happened, find other people who could survive and join them. 🦈 Survive on a raft The latest version of our offline survival simulator games is full of evolved enemies, new elements and other features that will surprise both children and adults. Download the game Ocean Nomad and embark on an epic survival adventure. Play without wifi or internet connection, last as many days and share the results online with friends! ⚠️ Warning: \* We are not affiliated with the developers of the original game Shelf. Our company Unisoft Games has full rights to use the RAFT brand in the U.S. (The brand consists of standard characters without claiming to any certain font style, size or color - Ser. No. 87-605.582 FILED 09-12-2017) Balance edits New quests correcting errors Urged to travel by sea, perhaps everyone should fear that the killers of the sea are giant sharks. They occur all over the sea, known as the most aggressive and aggressive in the ocean, so we must always be careful and careful when going to the sea, they can attack us at any time. So do you ever imagine the prospect of living together with this fear? It's great to be living with sharks that can't hurt you, and the game: Ocean Nomad – Survival on the shelf will be a great place to experience great things coming from the sea. In addition, this game is a survival game, your life in this game will be described in the most honest way, let me learn more about the story as well as play offline! The new version in John's ocean survival series is living and working in London. Modern life puts pressure on his work every day on his shoulders. He felt tired and wanted to go somewhere to relax his soul, but also for a holiday after long and hard days. He decided to visit her grandmother in Africa, where she had a beautiful garden along with a farm, where he thought it would help me to have a more lively spirit. Unfortunately, during his flight, his plane encountered a problem with flying over the ocean. The aircraft crashed and people crashed into the water. He was washed on an island, and now he must find a way to return to the mainland and wait for the rescue team to rescue. Hundreds of weapons and objects In this game, the player will be portrayed as John Tip and began his adventure in the sea. Although things are quite complicated, the food that is missing is more dangerous to sting around, but the player must stay and support his life in any way. When the game begins, the player is thrown into a floating raft in the middle of the sea. With a single hook equipped with a few raw materials, the player must fight against the attack of sharks and other players around him. At the same time, players must drive their boats to find the island to find food sources, as well as a safe haven. The game offers a lot of special constructions, such as observatories, houses, kitchens or headlights. Players must find the right fuel sources to build. However, in the process of exploring the island and collecting the necessary things, the player also must make his own weapons for the body. On dangerous islands, there would be wildlife or scary corpses, beware of the surroundings, as they can occur anywhere. Temporarily can live in harsh environments and so many dangers, so you can live or not? The answer can only be found in Ocean Nomad - Survival on Shelf MOD. Download this game and start your journey immediately. In his spare time, immersed in a new life and many challenges, so what is equal! Now you're ready to download survival on the shelf: Ocean Nomad free. Here are some notes: Please check out our installation guide.
